

Obsessed  
with details

**FORMANI®**

**The details  
are not  
the details.  
They make  
the design.**

Charles Eames

'Obsessed with details' is characteristic of everything we do at FORMANI. After all, the difference lies in the details. That is why we constantly challenge ourselves to push the boundaries: from product to process, from strategy to service. In short, at FORMANI: 'good is the enemy of great!'

Our designs must also meet high standards. National and international top designers, who take architectural hardware to a higher level, choose to work with us with good reason. We do not limit our collaborations to one design movement or style. We have shared and decisive core values. These include a passion for design, an eye for detail, and high standards of quality and craftsmanship.

FORMANI's wide range of collections clearly demonstrate our willingness to go the extra mile. We never design just one beautiful door handle out of context. Instead, we always offer our customers a complete concept. This allows the chosen signature look or finish to be used as a common thread throughout the interior, and links door, window, and furniture fittings on a conceptual level.

In this book you will find all our 17 collections. Each chapter contains practical and inspirational reference material. Our formani.com website also has a convenient search function and additional documentation. If you have any questions, please do not hesitate to contact us. Our FORMANI team is here to help you with a smile, a healthy dose of self-knowledge, and a dash of humour.

Pim Aarts  
Owner and Managing Director

'Obsessed with details' is kenmerkend voor alles wat we bij FORMANI doen. Het zijn tenslotte de details die het verschil maken. Daarom dagen wij onszelf voortdurend uit om de grenzen te verleggen. Van product tot proces en van strategie tot service. Kortom, bij FORMANI geldt: 'good is the enemy of great!'

Ook op het gebied van design ligt de lat hoog. Niet voor niets werken we samen met nationale en internationale topdesigners die architectural hardware naar een hoger niveau tillen. We beperken onszelf bij de keuze voor zo'n samenwerking niet tot één designstroming of stijl. Het zijn de gedeelde kernwaarden die doorslaggevend zijn: passie voor design, oog voor detail en hoge standaarden op het gebied van kwaliteit en vakmanschap.

Dat FORMANI graag een stapje verder gaat, is ook duidelijk te zien aan de breedte van onze collecties. Het is nooit slechts die ene prachtige deurkruk. Wij bieden altijd een totaalconcept. Hierdoor kan de gekozen signatuur of finish als een rode draad worden toegepast in het interieur. Deur-, raam- en meubelbeslag worden op deze manier conceptmatig met elkaar verbonden.

In dit boek vindt u al onze 17 collecties. Elk hoofdstuk bevat praktische en inspirerende content. In aanvulling hierop biedt onze website formani.com een handige zoekfunctie en aanvullende documentatie. Heeft u vragen? Aarzel dan niet om contact op te nemen. Ons FORMANI team staat klaar om u te ontzorgen. Met een glimlach, een gezonde dosis zelfkennis en een sprankje humor.

# DESIGNERS AND DESIGNS

Design is paramount at FORMANI. Design is in our DNA. It's no wonder that many top designers consciously incorporate our brand into their designs. Get to know the designers and the hardware collections that we have developed together. You will quickly come to see that 'Obsessed with details' is more than just a slogan for FORMANI. While each of our collections is unique, they also have a number of things in common such as: sublime design, high-quality craftsmanship, and broad applicability thanks to a complete concept.

Design staat bij FORMANI hoog in het vaandel. Het zit in ons DNA. Niet voor niets committeerde al menig topontwerper zich bewust aan ons merk. Maak kennis met hen en hun visie op architectural hardware. Al snel wordt dan zichtbaar dat 'Obsessed with details' voor ons niet zomaar een kreet is. Want hoewel onze collecties elk uniek van stijl zijn, hebben ze een aantal dingen gemeen. Namelijk hoogstaand design, kwalitatief vakmanschap en brede toepasbaarheid dankzij een totaalconcept.

# Piet Boon

“At Studio Piet Boon we believe that there is great beauty in simplicity. The simplest details leave a lasting impression. Therefore never underestimate the importance of door fittings.”

## **Oostzaan, the Netherlands**

Design philosophy: “Balancing functionality, aesthetics and individuality.”

Designed for FORMANI: ONE, TWO, INC, ARC

Design awards: German Design Award 2020 (ARC), Red Dot Design Award 2019 (INC)

# Bertram Beerbaum

“Door handles may seem like an inconspicuous part in the home, but the devil is in the detail.”

## **Hilversum, the Netherlands**

Design Philosophy: “I prefer to design a product that combines design and convenience in a natural way. Any product that I design must be something tough, chic and timeless with a tad own wisdom in them. Functional products with a surprising twist.”

Designed for FORMANI: TENSE

Design award: German Design Award

Photography: Ewoud Rooks

**TENSE by Bertram Beerbaum**

Go to page 253

# Osiris Hertman

“A door handle is the crowning jewel of your home – it’s always there, always visible. We’ve chosen a clear, sturdy design with a conical shape and removed the rosette by concealing the technology in the cone section.”

## **Santpoort-Zuid, the Netherlands**

Design philosophy: “I like to incorporate landscapes into my interiors, guided by the essential influence of nature. I believe nature can teach us everything we need to know about design: the warmth of clothing, the softness concealed within hard materials, even flexibility and cohesion. Because that’s what really counts when it comes to interiors: that every last detail is in harmony with the rest.”

# COLLECTIONS

# ONE

by Piet Boon

# A true icon

## **A true icon**

Simplicity is the essence of the design of our iconic ONE collection by Piet Boon, with the cylindrical volume forming its core. The clean lines and high-quality finish embody beauty and refinement, forming a coherent, elegant whole. It's safe to say that the ONE collection has developed into a true icon in the world of door handles and interior design.

## Een waar icoon

Eenvoud is de essentie van het ontwerp van onze iconische ONE collectie by Piet Boon. De cilindrische vorm vormt de basis van het ontwerp. De strakke lijnen en hoogwaardige afwerking benadrukken de schoonheid en verfijning en zorgen voor een samenhangend, elegant geheel. De ONE collectie heeft zich ontplooid tot een waar icoon binnen de wereld van deurbeslag en interieurontwerp.

# Restaurant Noma 2.0

Copenhagen, Denmark

**ONE reference**

Interior design: Studio David Thulstrup  
Architecture: BIG-Bjarke Ingels Group  
Photography: Rasmus Hjortshøj  
Product: ONE PBL20XL/50 satin black

# We open the doors of ‘the world’s best restaurant’

Following the success of the celebrated restaurant Noma, which had been voted the world’s best restaurant four times, chef René Redzepi opened Noma 2.0 in Copenhagen in 2018. In 2021 the restaurant has been awarded three Michelin stars. Bjarke Ingels Group (architect) and Studio David Thulstrup (interior design) have created a superbly Scandinavian feel without any of the usual clichés. The designer favoured door fittings and bathroom accessories from the ONE collection by Piet Boon. After all, the clean lines and high-quality finish of our products fit seamlessly into the look and feel of the place. Honest, simple, and understated design does all the talking.

In navolging op het wereldberoemde restaurant Noma, dat tot vier keer toe werd verkozen tot beste restaurant van de wereld, opende chef René Redzepi in 2018 Noma 2.0 in Kopenhagen. In 2021 werd het restaurant bekroont met maar liefs drie Michelin sterren. Met Bjarke Ingels Group als architect en een interieur van Studio David Thulstrup werd een sterke Scandinavische sfeer neergezet zonder clichés. Daarbij viel de keuze op deurbeslag en badkameraccessoires uit de ONE collectie van Piet Boon. De strakke lijnen en hoogwaardige afwerking van onze producten sluit tenslotte naadloos aan bij de look en feel van het restaurant. Eerlijk, simpel en niet te overdreven. Meer moet het niet zijn.

# Rock 'n Roll Black

'Together with co-owner and Michelin-starred chef Sergio Herman, who has since left the restaurant, Michelin-starred chef Nick Bril worked together with Studio Piet Boon to develop a vision for The Jane: fine dining meets rock 'n roll. They transformed the chapel of a former military hospital in Antwerp into a high-end, contemporary restaurant with an international allure. The iconic designs of our ONE collection bring everything together, and the black finish perfectly matches The Jane's unique character.

Michelin-sterrenchef Nick Bril ontwikkelde (destijds met zakenpartner Sergio Herman) samen met Studio Piet Boon een visie voor The Jane: fine dining meets rock 'n roll. Samen toverden zij de kapel van een voormalig militair ziekenhuis in Antwerpen om tot een high-end, eigentijds restaurant met internationale allure. De iconische ontwerpen van onze ONE collectie rijgen alles aan elkaar. De zwarte finish sluit naadloos aan bij het eigenzinnige karakter van The Jane.

# TWO

by Piet Boon

# Flipped symmetry

## Flipped symmetry

While the design of our TWO collection by Piet Boon may exude simplicity, it is in fact one of the most sophisticated products in the FORMANI collection. The intersection of the lever consists of two symmetrical parts that join in the middle of two separate arteries. The products are made of satin stainless steel and two out of three finishing combinations are with oak. The assembly of these fitting is completed with essential handwork that sees every piece of wood milled independently and fitted together with the stainless parts like the pieces of an intricate puzzle.

## **Omgekeerde symmetrie**

Ook al oogt onze TWO collectie by Piet Boon in eerste instantie eenvoudig, toch is dit een van de meest bewerkelijke producten uit de FORMANI collectie. Het snijpunt van de handgreep bestaat uit twee symmetrische delen die in het midden van twee afzonderlijke paden samenkomen. De producten zijn vervaardigd uit roestvast staal, en twee van de drie finishes zijn in combinatie met eikenhout. De assemblage gaat gepaard met het nodige handwerk waarbij elk houten stukje afzonderlijk uitgefreesd wordt en als een puzzel met het roestvast stalen onderdeel in elkaar wordt gezet.

# INC

by Piet Boon

# A smooth inclination

reddot award 2019  
winner

## **A smooth inclination**

Smooth curves and an excellent grip is what characterizes our INC collection by Piet Boon. Starting out as a circular cylinder volume, the INC took shape after flattening the circle and tapering the end. This provides the handle with a smooth inclination, to which the INC is named.

## **Een zacht hellende vorm**

Onze INC collectie by Piet Boon kenmerkt zich door haar zachte lijnen en perfecte ergonomie. De INC is tot stand gekomen door het afvlakken van een cirkel, waardoor deze spits toeloopt naar het uiteinde. Hierdoor is er een zacht hellende vorm ontstaan. Dit wordt ook wel 'inclination' genoemd, waarvan de naam 'INC' een afgeleide is.

# Restaurant Brut172

Reijmerstok, the Netherlands

**INC reference**

Interior design: Niels Maier

Photography: Thomas De Bruyne (left),

Kyonne Leyser (next page - top), Tijmen Ballieux (next page - bottom)

Product: INC PBI102 PVD satin black

# Another world opens

Brut172, located in a historic farmhouse near Maastricht, is Michelin-starred chef Hans van Wolde's luxurious restaurant. Interior designer Niels Maier combined the building's characteristic elements with 'rustic' and raw materials such as wood and steel. The modern yet soft lines of the INC door handle represent an eye-catching contrast to the raw materials of the interior. The PVD satin black finish clearly stands out from the predominantly soft colour palette which creates stark but appealing juxtaposition.

Het luxueuze restaurant van Michelin-sterrenchef Hans van Wolde, Brut172, is gevestigd in een historische boerderij nabij Maastricht. Interieurontwerper Niels Maier combineerde de karakteristieke elementen van het pand met 'brute' en zuivere materialen als hout en staal. De moderne maar zachte lijnen van deurkruk INC vormen een mooie tegenhanger voor het rauwe interieur. Bovendien valt de PVD satin black finish extra op in het overwegend zachte kleurenpalet. Een spannend contrast.

# ARC

by Piet Boon

# Geometric shapes

## Geometric shapes

Following clean lines and geometric shapes, our ARC collection by Piet Boon is defined by its no-nonsense appeal. The unique silhouette arose by dividing a cylinder volume exactly in half, which gives the ARC its characteristic flat side and a side characterized by an arc — after which the ARC is named.

## **Geometrische vormen**

Geleid door strakke lijnen en geometrische vormen, wordt onze ARC collectie by Piet Boon gedefinieerd door zijn no-nonsense uitstraling. Het unieke silhouet is ontstaan door een cilindervolume exact door de helft te delen. Dit geeft de ARC zijn kenmerkende vlakke zijde en een zijde die wordt gekenmerkt door een boog – waaraan de ARC zijn naam dankt.

# ECLIPSE

by David Rockwell

# An iconic silhouette

reddot award 2021  
winner

## **An iconic silhouette**

Simplicity meets innovation in our ECLIPSE collection by David Rockwell. The iconic silhouette is a cylindrical form with a curved, carved channel — an inflection point that perfectly meets the hand's grasp. Simple, sculptural tooling offers both a square and round return option for a distinctive profile. The sublime finish creates soft lines that ensure a perfect ergonomic grip. The door handle is manufactured as one piece, allowing the moon-like detailing to continue seamlessly along the entire length of the arm and over the curve to the start of the neck.

## Een iconisch silhouet

Eenvoud ontmoet innovatie in onze ECLIPSE collectie by David Rockwell. Het iconische silhouet wordt gekenmerkt door een cilindrische vorm met een rondlopende afgeplatte inkeping – een buigpunt dat perfect aansluit op de grijpende hand. Door het specifieke productieproces is er keuze uit zowel een rechthoekige als een ronde retouroptie voor een kenmerkend profiel.

De uitmuntende afwerking creëert zachte lijnen die zorgen voor een perfecte ergonomische grip. De deurkruk wordt uit één stuk gegoten, waardoor de eclipsvormige uitsnede naadloos doorloopt over de gehele lengte van de kruk en over de ronding tot het begin van de hals.

# Fairmont Hotel

Moscow, Russia

**ECLIPSE reference**

Interior design: David Rockwell, Rockwell Group

Photography: Olga Parshina

Product: ECLIPSE DR100 PVD satin black

# Born to be exceptional

Located above the Mayakovskaya metro station in the vibrant and cosmopolitan Tverskoy district, Fairmont Moscow features 142 hotel rooms and 50 residences that offer visitors and locals alike unparalleled access to the historic Red Square, luxury retail and dining, museums, and theatres. Rockwell Group designed the hotel lobby, lounge, and restaurant, as well as the residences. The inspiration was taken from the design of the station, which is arguably the most beautiful in the city's system, and an Art deco and Futurist gem designed by Alexey Dushkin. Rockwell Group brought the station's symmetry, scale, and contrasting material details to life in the hotel, on a residential scale. Terrazzo tiles, wood panelling, and stone and metal details evoke the luxurious and forward-thinking grandeur of the city centre.

Midden in het levendige Tverskoy-district, boven het metrostation Mayakovskaya, ligt het Fairmont Moscow Hotel. De 142 kamers en 50 luxe appartementen geven bezoekers en locals weergaloos toegang tot het historische Rode Plein, luxe winkel- en eetgelegenheden, musea en theaters. Zowel de appartementen als de lobby, de lounge en het restaurant van het hotel zijn ontworpen door Rockwell Group. Inspiratie voor het ontwerp werd gehaald uit misschien wel het mooiste ontwerp van de stad: het station. Deze parel in futuristische en art-decostijl is ontworpen door Alexey Dushkin. De symmetrie, schaal en contrasterende materiaaldetails van het station zijn tot leven gebracht in het hotel en de appartementen. De terrazzotegels, houten lambrisering en stenen en metalen details roepen een gevoel op van luxe en de vooruitstrevende grandeur van het centrum.

# TENSE

by Bertram Beerbaum

# Robust and chique

## **Robust and chique**

Our TENSE collection by Bertram Beerbaum is guided by a clean aesthetic that is as robust as it is chic. Every design in the series is unique while at the same time bearing the unmistakable TENSE signature. The core of every design is the cylindrical neck to which each rectangular lever is connected in its own unique way. This is thanks to our extreme high precision welding technique, which forms a secure joint between two very different shapes.

## Stoer én chique

Een duidelijke, stoere maar vooral chique vormtaal is de kracht achter onze TENSE collectie by Bertram Beerbaum. De ontwerpen in deze collectie zijn alle uniek, maar toch draagt elk design de onmiskenbare TENSE signature. Het hart wordt gevormd door de cilindrische nek, die aan elk ontwerp ten grondslag ligt. De nek wordt telkens op een bijzondere manier aan het vlakke handvat bevestigd. Dit is te danken aan onze precisie-lastechniek, die de verbinding creëert tussen deze twee zeer verschillende vormen.

# CONE

by Osiris Hertman

# A conical shape

reddot award 2021  
winner

## **A conical shape**

The CONE collection by Osiris Hertman, inspired by the handle on a safe, is characterized by its elegance and timeless aesthetic. The neck of the door handle is tapered, resulting in its characteristic conical shape. The rose-less design also creates the allusion of a floating door handle. The door handle is manufactured as one piece, making it a technical masterpiece, especially with the extremely high-standard finish applied. The seamless design imbues a space with a sense of tranquillity while substantially enhancing the overall aesthetics.

## Een conische vorm

De CONE collectie by Osiris Hertman, geïnspireerd op de greep van een kluis, kenmerkt zich door haar statige en tijdloze karakter. De nek van de deurkruk loopt taps toe waardoor er een karakteristieke kegelvorm ontstaat. Dankzij de rozetloze uitvoering van deurkruk lijkt het alsof deze op de deur zweeft. Het sublieme afwerkingsniveau van de uit één stuk gefabriceerd deurkruk is verbluffend en getuigt van technische precisie. Het naadloze design geeft de ruimte een gevoel van rust, waardoor de esthetiek van het interieur compleet wordt.

# BOBBY

by Eric Kuster

# Metropolitan luxury

## **Metropolitan luxury**

The design of our BOBBY collection by Eric Kuster combines the elegance of round shapes with clean lines; it is an eye-catching combination in which the various elements are uniquely connected. The rectangular section of the door handle flows subtly, yet powerfully, into a rounded grip that is proportional to the horizontal plate that it is attached to. With every touch, the solid feel of steel transports you to elegance and luxury. The various shapes are simultaneously simple. In combination with the right materials, the BOBBY door handle is the perfect detail to any interior.

## Grootstedelijke luxe

Het design van onze BOBBY collectie by Eric Kuster combineert de elegantie van ronde vormen met strakke lijnen. Een spannende combinatie, waarbij de verschillende elementen op unieke wijze aan elkaar worden verbonden. Het rechthoekige deel van de deurkruk loopt subtiel maar krachtig over in een ronde greep. De greep loopt evenredig aan het horizontale schild, waarop deze is bevestigd. Het solide gevoel van staal transformeert bij elke aanraking in elegantie en luxe. Het ontwerp kent een divers vormenspel, maar straalt tegelijkertijd eenvoud uit. In combinatie met de juiste materialen vormt de deurkruk BOBBY het perfecte detail voor elk interieur.

# Influences from the Far and Middle East

## **Influences from the Far and Middle East**

Our NOUR collection by Edward van Vliet combines an international appeal and aesthetic with excellent ergonomic features. The door handle's design perfectly fits into the shape of your hand thanks to the streamlined silhouettes. In addition to its excellent ergonomic factor, this special design has drawn on many aesthetic influences from the Far and Middle East.

## Oosterse invloeden

Onze NOUR collectie by Edward van Vliet combineert internationale kenmerken en esthetiek met uitstekende ergonomische eigenschappen. De gestroomlijnde vormen zorgen ervoor dat de deurkruk perfect samensmelt met de hand op het moment van aanraking. Los van deze uitmuntende ergonomie is een ander uniek kenmerk, het bijzondere design dat tot stand is gekomen door oosterse invloeden.

# BOSCO

by Lázaro Rosa-Violán

# From the past to the future

## **From the past to the future**

Our BOSCO collection by Lázaro Rosa-Violán 'opens doors from the past that lead to the future'. This quote defines the design formula applied to the BOSCO collection; classic design with a functional, modern look. These door handles are in every respect inspired by the famous historic knives that combined traditional stainless steel with black handles and which were an integral part of households in Europe for decades. The shape of the design consists of a cylindrical form connected to the handle of the lever, where the stainless steel is still visible from the upper side.

## **Van het verleden naar de toekomst**

Onze BOSCO collectie by Lázaro Rosa-Violán 'opent deuren uit het verleden die leiden naar de toekomst'. Deze quote omschrijft de designformule voor de BOSCO collectie; klassiek design in een functioneel, modern jasje. De deurkrukken zijn geheel geïnspireerd op de befaamde messen van weleer, die steevast roestvast staal combineerden met een zwart handvat en al decennialang een vertrouwd beeld vormen voor nagenoeg elk Westers huishouden. Het ontwerp bestaat uit een cilindrische vorm die verbonden is met het handvat, waarbij het roestvast staal nog zichtbaar is vanaf de bovenkant.

# SQUARE

by Jan des Bouvrie

# Clean lines

## Clean lines

The SQUARE collection's minimalistic design is an eulogy to the perfection of square and rectangular shapes. While the series is simplistic, its finer details are what makes it truly unique. All the products have a bold and well-defined look, but their chamfered edges make them wonderfully tactile. Jan des Bouvrie, founding father of Dutch design, contributed to the series and imparted the final touches by adding clean lines to the SQUARE design, accentuating the major elements.

Jan des Bouvrie passed away on 4 October 2020 at the age of 78. It was an honour to work with Jan. His passing is a great loss to us, the design world, and everyone who loved him. A legend has left us, but his legacy remains intact and we will continue to work together with his Design Studio.

## Strakke lijnen

Het minimalistische design van onze SQUARE collectie is een loftuiting aan de perfectie van vierkante en rechthoekige vormen. Hoewel de collectie eenvoudig oogt, zijn er vele kleine details die het ontwerp bijzonder maken. Zo lijken alle producten scherp, maar zijn ze door het vakkundig afwerken van de randjes toch zacht genoeg voor de handen. Jan Des Bouvrie, founding father of Dutch design, heeft bijgedragen aan deze collectie en gaf de laatste hand aan het ontwerp van SQUARE door strakke lijnen toe te voegen. Hierdoor worden de belangrijkste elementen geaccentueerd.

Op 4 oktober 2020 is Jan des Bouvrie op 78-jarige leeftijd overleden. Het was een eer om met Jan samen te werken. Zijn verlies is een groot gemis voor ons, de designscene en iedereen die hem lief had. Een legende heeft ons verlaten, maar zijn nalatenschap blijft intact. Net als onze samenwerking met zijn Design Studio.

# RIBBON

by Bob Manders

# Interlinked structure

product  
winner

## **Interlinked structure**

A single piece featuring clean lines, welded together as one whole, defines the design of our RIBBON collection by Bob Manders.

The unique design is based on the architectural style 'Ribbon', to which the series owes its name, where walls, floors, and roofs join to form a single, self-supporting yet interlinked structure. This results in an unbroken sense of movement and momentum as the areas flow into one another. That same principle can also be observed in the hardware collection.

## Onderling verbonden structuur

Een handgreep gemaakt uit één stuk met strakke lijnen – dat zijn de kenmerken van de RIBBON collectie by Bob Manders. Het unieke design is gebaseerd op de architectonische stijl 'Ribbon', waaraan de collectie haar naam dankt. Ribbon architecture is de term die wordt gebruikt voor de manier waarop de muren, vloeren en het dak van een gebouw samen een zelfdragende maar onderling verbonden structuur vormen. Een dergelijke constructie geeft een voortdurend gevoel van beweging en momentum doordat de ruimtes in elkaar overlopen. Ditzelfde principe komt in het klein ook terug in deze hardware collectie.

# FOLD

by Tord Boontje

# One single element

reddot design award

## **One single element**

Our FOLD collection by Tord Boontje differs fundamentally from traditional models in the way it innovatively blends the classic components of a door fitting — rosette, neck, and handle — into one single element. This is achieved thanks to an astute system with mounting akin to a bayonet system. The result is a door handle that appears to float elegantly on the door.

## **Eén enkel element**

Onze FOLD collectie by Tord Boontje onderscheidt zich van traditionele modellen door de innovatieve manier waarop de klassieke componenten van een deurkruk — rozet, hals en greep — in één enkel element zijn samengevoegd. Door een slim systeem dat in de montage vergelijkbaar is met een bajonetsysteem zweeft de deurkruk als het ware sierlijk op de deur.

# EDGY

by Mathieu Bruls

**Wonderfully  
mismatched  
shape**

## **Wonderfully mismatched shape**

The design of the EDGY collection by Mathieu Bruls unequivocally counters the misconception that ergonomics can only be achieved by ensuring the contour seamlessly fits into the hand. In contrast, this mismatched shape is wonderfully tactile — a joy to touch. And as is often the case with simplicity, it can be technically very complex. Yet the conundrum is to truly understand what you see before you. EDGY embodies the words of its designer ‘No less, no more — just the right balance’.

## Wonderlijk afwijkende vorm

Het ontwerp van de EDGY collectie by Mathieu Bruls neemt duidelijk stelling tegen de misplaatste opvatting dat ergonomie enkel gediend wordt met een schijnbaar naadloos passende contravorm. Het is juist een genot om deze afwijkende vorm in je hand te nemen. En zoals vaak het geval is met eenvoud: het is technisch erg moeilijk te maken. En toch... het moeilijkste is te begrijpen wat je ziet. EDGY belichaamt de woorden van de ontwerper 'Niet meer, niet minder — precies de goede balans'.

# FERROVIA

by FORMANI

# Understated luxury

## **Understated luxury**

Our FERROVIA collection is an ode to the railways of the early twentieth century. Having often been used in first-class train carriages, this particular style of door handle is held up as a piece of understated luxury thanks to its elegant shapes, curves, and clean lines. The design is characterized by its spherical shape that connects the lever to its neck. The 'T-handle' was especially popular in train carriage design at the time, and is still a common design feature in many interiors and exteriors.

## Ingetogen luxe

De FERROVIA collectie verwijst naar begin 20<sup>e</sup> eeuw, toen dit model deurkruk veel werd toegepast in eersteklas treinwagons in diverse West-Europese landen. Dankzij de elegante vormen, rondingen en strakke lijnen wordt deze bijzondere stijl als een stukje ingetogen luxe gezien. Het ontwerp kenmerkt zich door het bolvormige middelpunt, die de greep met de hals verbindt. Het verticale T-krukje was destijds erg in trek en is tot op de dag van vandaag nog steeds een veelvoorkomend detail in het ontwerp van vele interieurs en exterieurs.

# TIMELESS

by FORMANI

# A new lease of life

## **A new lease of life**

Authenticity is what defines our TIMELESS collection. As the name of the collection implies, the comprehensive range has stood the test of time. It comprises products from times gone by that have been given a new lease of life by FORMANI – some of which combined with elements of modern technology and functionality. The designs of the door handles in the TIMELESS collection can be traced back to the period from 1815 to 1952. The models are each named after the year in which they are fashioned.

## **Nieuw leven ingeblazen**

Onze TIMELESS collectie staat voor authenticiteit. De naam verraadt al dat het gaat om een assortiment dat de tand des tijds doorstaan heeft. De collectie bestaat stuk voor stuk uit producten van weleer die door FORMANI nieuw leven zijn ingeblazen, al dan niet gecombineerd met een stukje hedendaagse techniek en functionaliteit. De deurkrukken uit de TIMELESS collectie zijn te herleiden tot de periode 1815 - 1952 en de modellen zijn dan ook stuk voor stuk genoemd naar het jaartal waaruit het origineel dateert.

# Project August

Antwerp, Belgium

**TIMELESS reference:** Hotel August  
Interior design: Vincent Van Duysen  
Photography: Tijmen Ballieux (left, next page - bottom),  
Robert Rieger (next page - top)  
Product: TIMELESS 1925GRR50 satin black

# Deep respect for its heritage

The famous Belgian architect Vincent Van Duysen has transformed a 19th-century Augustinian monastery in Antwerp, into an exclusive top-rated hotel. Despite modernizing the building, its spiritual soul can still be felt in every detail. Van Duysen has created a timeless interior. That's why it's not surprising that the traditional door handles and cabinet knobs from our TIMELESS collection play an important role in the overall design. They perfectly match the hotel's guiding principles of quality and stability. The black finish gives the interior a modern touch.

In Antwerpen toverde de beroemde Belgische architect Vincent Van Duysen een 19e-eeuws augustijnenklooster om tot een exclusief hotel van topklasse. Ondanks de modernisering is de sacrale ziel nog in elk detail voelbaar. Van Duysen koos voor een tijdloos interieur. Het is dan ook niet verrassend dat de traditionele deurkrukken en meubelknoppen uit onze TIMELESS collectie een belangrijke rol spelen in het gehele design. Ze sluiten naadloos aan bij de kwaliteit en stabiliteit die leidend zijn binnen het hotel. De zwarte finish zorgt voor een moderne touch.

# BASICS

by FORMANI

# Simple and pure

## **Simple and pure**

As a comprehensive total concept, our BASICS collection brings together various designs that are suitable for any budget. The designs are as understated, simple and pure as they are luxurious, imparting an exquisite finishing touch to any interior and exterior design. We have developed this series because we would like to share our obsession with details with everyone, regardless of the budget.

## Eenvoudig en puur

Onze uitgebreide BASICS collectie bestaat uit verscheidene ontwerpen die geschikt zijn voor elk budget. De ontwerpen zijn zo ingetogen, eenvoudig en puur als ze luxe zijn. Hierdoor geven ze een uitmuntende afwerking aan elk interieur en exterieur. Deze collectie is ontwikkeld omdat wij onze obsessie voor details met iedereen willen delen, ongeacht het budget.

# FINISHES

# Finishes

Our products are available in a variety of finishes. Our extensive finish chart ensures that our hardware collections fit into any interior or exterior design in terms of style and quality. Please note that the available finishes and colour sets may vary according to the product, collection, and model.

Onze producten zijn verkrijgbaar in verschillende finishes. Ons uitgebreide finish palette zorgt ervoor dat onze hardware collecties qua stijl en kwaliteit in elk interieur- en exterieur ontwerp passen. Beschikbare afwerkingen en kleurenssets kunnen variëren afhankelijk van het product, collectie en model.

Available in: ONE, TWO, INC,  
ARC, ECLIPSE, TENSE, CONE,  
BOBBY, BOSCO, SQUARE,  
RIBBON, FOLD, EDGY,  
FERROVIA, BASICS

2  
**PVD satin stainless steel**  
Available in: SQUARE, BASICS

3  
**Polished stainless steel**  
Available in: NOUR, BOSCO,  
SQUARE, FERROVIA, BASICS

4  
**Satin black**  
Available in: ONE, TENSE,  
NOUR, SQUARE, RIBBON,  
EDGY, TIMELESS, BASICS

5  
**PVD satin black**  
Available in: ONE, INC, ARC,  
ECLIPSE, CONE, BOBBY

6  
**PVD gunmetal**  
Available in: BASICS

7  
**Bronze**  
Available in: ONE, ECLIPSE,  
TENSE, BOBBY, BASICS

8  
**PVD satin bronze**  
Available in: BASICS

9  
**White**  
Available in: ONE, SQUARE,  
BASICS

10  
**PVD satin gold**  
Available in: ONE, ECLIPSE,  
NOUR, BASICS

11  
**PVD polished copper**  
Available in: BASICS

12  
**Satin nickel**  
Available in: TIMELESS

13  
**PVD satin nickel**  
Available in: TIMELESS

14  
**Bright nickel**  
Available in: TIMELESS

15  
**Brass unlacquered**  
Available in: BOSCO, TIMELESS

20  
**Corian**  
Available in: ONE BATHWARE
