The background of the entire page is a dense field of bright green, circular leaves, likely from a nasturtium plant, showing prominent white veins radiating from the center. A horizontal light blue bar with rounded ends spans across the middle of the page. On the left side of this bar, there is a white square with a thin blue border containing the number 6.

The image features a dense, vibrant green background of ivy leaves. The leaves are primarily five-lobed with serrated edges. A horizontal green bar with rounded ends is positioned across the upper portion of the image. Inside this bar, on the left side, is a white square with a thin black border containing the number '11' in a bold, black, sans-serif font.
